Proposal Section

State

Proposal 2026-1
A Proposal to Convene a Constitutional Convention for the Purpose of Drafting a General Revision of the State Constitution

Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

- **Yes**
- **No**

Proposal 2026-2
A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

- **Yes**
- **No**

City

Proposed Easement for Consumers Energy on City Park Property and Property Within the Chippewa River Corridor

Shall the City of Mt. Pleasant be authorized, pursuant to Article II, Sections 16(E) and 16(F) of the City Charter, to grant Consumers Energy Company a permanent utility easement for the relocation, construction, operation, and maintenance of low-voltage and high-voltage electric lines and associated equipment sharing a single line of poles along the north right of way of West Broadway Avenue, with vegetation management rights extending approximately 80 feet into the southern portions of Nelson Park and Riverside Cemetery and 40 feet into the northern portion of Mill Pond Park?

- **Yes**
- **No**

Community College

Mid Michigan College
Charter Millage Proposal

This proposal would restore Mid Michigan College's original millage, which has been reduced by the Headlee Amendment, and allow the college to levy on all taxable property the millage previously approved by the voters of the community college district.

Shall the limitation on the total amount of taxes which may be assessed against all taxable property within the community college district of Mid Michigan College, Michigan, be increased by 0.2929 mill ($0.2929 on each $1,000 of taxable value) in perpetuity to provide funds for all authorized charter millage purposes specified within the power of the college's board of trustees; the estimate of the revenue the college will collect if the millage is approved and levied in 2027 is approximately $1,307,848 from the local taxes authorized in this proposal?

- **Yes**
- **No**

Proposal 2026-1
A Proposal to Convene a Constitutional Convention for the Purpose of Drafting a General Revision of the State Constitution

Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

- **Yes**
- **No**

State

Proposal 2026-2
A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

- **Yes**
- **No**

Local School District

Chippewa Hills School District
Bond Proposal

Shall Chippewa Hills School District, Mecosta, Isabella and Osceola Counties, Michigan, borrow the sum of not to exceed Twenty-Nine Million Nine Hundred Thousand Dollars ($29,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling, including safety and security improvements, furnishing and refurnishing, and equipping and reequipping existing school buildings; erecting, furnishing, and equipping school support buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and equipping, developing, and improving playgrounds, athletic fields and facilities, parking areas, driveways, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027 is 1.04 mills ($1.04 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (1.03 on each $1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Shepherd Public Schools
Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Proposal 2026-2
A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Operating Millage Restoration Proposal

Shall the Village of Shepherd, Isabella County, Michigan, be authorized to levy a tax of up to 1.3632 mills ($1.3632 per $1,000 of taxable value) for general operating purposes, to restore the Village's authorized operating millage rate, which has been reduced by the Headlee Amendment from 12.5000 mills to 11.1368 mills?

If approved, this millage will restore the Village's authorized general operating millage rate to 12.5000 mills and permit the Village to levy up to that rate for four (4) years, subject to any further Headlee reductions.

It is estimated that the 1.3632 mills would raise approximately $56,847.00 in the first year it is levied.

Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Shepherd Public Schools
Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Proposal 2026-2
A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

Bond Proposal

Shall Chippewa Hills School District, Mecosta, Isabella and Osceola Counties, Michigan, borrow the sum of not to exceed Twenty-Nine Million Nine Hundred Thousand Dollars ($29,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling, including safety and security improvements, furnishing and refurnishing, and equipping and reequipping existing school buildings; erecting, furnishing, and equipping school support buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and equipping, developing, and improving playgrounds, athletic fields and facilities, parking areas, driveways, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027 is 1.04 mills ($1.04 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (1.03 on each $1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

remodeling, including safety and security improvements, furnishing and refurnishing, and equipping and reequipping existing school buildings; erecting, furnishing, and equipping school support buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and equipping, developing, and improving playgrounds, athletic fields and facilities, parking areas, driveways, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027 is 1.04 mills ($1.04 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (1.03 on each $1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Shepherd Public Schools
Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Chippewa Hills School District
Bond Proposal

Shall Chippewa Hills School District, Mecosta, Isabella and Osceola Counties, Michigan, borrow the sum of not to exceed Twenty-Nine Million Nine Hundred Thousand Dollars ($29,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling, including safety and security improvements, furnishing and refurnishing, and equipping and reequipping existing school buildings; erecting, furnishing, and equipping school support buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and equipping, developing, and improving playgrounds, athletic fields and facilities, parking areas, driveways, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027 is 1.04 mills ($1.04 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (1.03 on each $1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Proposal 2026-1
A Proposal to Convene a Constitutional Convention for the Purpose of Drafting a General Revision of the State Constitution

Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

Yes ◯
No ◯

Proposal 2026-2
A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

Community College

Mid Michigan College
Charter Millage Proposal

This proposal would restore Mid Michigan College's original millage, which has been reduced by the Headlee Amendment, and allow the college to levy on all taxable property the millage previously approved by the voters of the community college district.

Shall the limitation on the total amount of taxes which may be assessed against all taxable property within the community college district of Mid Michigan College, Michigan, be increased by 0.2929 mill ($0.2929 on each $1,000 of taxable value) in perpetuity to provide funds for all authorized charter millage purposes specified within the power of the college's board of trustees; the estimate of the revenue the college will collect if the millage is approved and levied in 2027 is approximately $1,307,848 from the local taxes authorized in this proposal?

Shepherd Public Schools
Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Bond Proposal

Shall Chippewa Hills School District, Mecosta, Isabella and Osceola Counties, Michigan, borrow the sum of not to exceed Twenty-Nine Million Nine Hundred Thousand Dollars ($29,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling, including safety and security improvements, furnishing and refurnishing, and equipping and reequipping existing school buildings; erecting, furnishing, and equipping school support buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and equipping, developing, and improving playgrounds, athletic fields and facilities, parking areas, driveways, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027 is 1.04 mills ($1.04 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (1.03 on each $1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Chippewa Hills School District
Bond Proposal

Shall Chippewa Hills School District, Mecosta, Isabella and Osceola Counties, Michigan, borrow the sum of not to exceed Twenty-Nine Million Nine Hundred Thousand Dollars ($29,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling, including safety and security improvements, furnishing and refurnishing, and equipping and reequipping existing school buildings; erecting, furnishing, and equipping school support buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and equipping, developing, and improving playgrounds, athletic fields and facilities, parking areas, driveways, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027 is 1.04 mills ($1.04 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty (20) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.03 mills (1.03 on each $1,000 of taxable valuation).

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Mid Michigan College
Charter Millage Proposal

This proposal would restore Mid Michigan College's original millage, which has been reduced by the Headlee Amendment, and allow the college to levy on all taxable property the millage previously approved by the voters of the community college district.

Shall the limitation on the total amount of taxes which may be assessed against all taxable property within the community college district of Mid Michigan College, Michigan, be increased by 0.2929 mill ($0.2929 on each $1,000 of taxable value) in perpetuity to provide funds for all authorized charter millage purposes specified within the power of the college's board of trustees; the estimate of the revenue the college will collect if the millage is approved and levied in 2027 is approximately $1,307,848 from the local taxes authorized in this proposal?

Charter Millage Proposal

This proposal would restore Mid Michigan College's original millage, which has been reduced by the Headlee Amendment, and allow the college to levy on all taxable property the millage previously approved by the voters of the community college district.

Shall the limitation on the total amount of taxes which may be assessed against all taxable property within the community college district of Mid Michigan College, Michigan, be increased by 0.2929 mill ($0.2929 on each $1,000 of taxable value) in perpetuity to provide funds for all authorized charter millage purposes specified within the power of the college's board of trustees; the estimate of the revenue the college will collect if the millage is approved and levied in 2027 is approximately $1,307,848 from the local taxes authorized in this proposal?

Proposal 2026-2
A Proposed Initiated Law to Prohibit Campaign Contributions from Certain Regulated Utilities and Government Contractors and Apply Campaign Finance Laws and Regulations to Additional Types of Political Communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over $250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

Community College

Mid Michigan College
Charter Millage Proposal

This proposal would restore Mid Michigan College's original millage, which has been reduced by the Headlee Amendment, and allow the college to levy on all taxable property the millage previously approved by the voters of the community college district.

Shall the limitation on the total amount of taxes which may be assessed against all taxable property within the community college district of Mid Michigan College, Michigan, be increased by 0.2929 mill ($0.2929 on each $1,000 of taxable value) in perpetuity to provide funds for all authorized charter millage purposes specified within the power of the college's board of trustees; the estimate of the revenue the college will collect if the millage is approved and levied in 2027 is approximately $1,307,848 from the local taxes authorized in this proposal?

Bond Proposal

Shall Shepherd Public Schools, Isabella, Gratiot, and Midland Counties, Michigan, borrow the sum of not to exceed Fourteen Million Nine Hundred Thousand Dollars ($14,900,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

remodeling and equipping school buildings, including roofing and HVAC systems; and preparing, developing, improving and equipping the elementary school playground and site?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2027, under current law, is 1.65 mills ($1.65 on each $1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 3.24 mills ($3.24 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds but expects estimated additional interest attributable to the bonds to be $1,468,914. The total amount of qualified bonds currently outstanding is $3,800,000. The total amount of qualified loans currently outstanding is approximately $15,457,294. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
